

# Midterm Exam Solutions

## Word – Short Answer

1. What does the button displayed in the Figure 1 do?

Figure 1: Multiple Pages

(Pages: 370) (7.14 points)

**Correct answer:** It displays several pages, rather than a single page, at once (on one screen) inside the Word window.

2. Where should you click to save all the recently-made changes in a currently open Word document? (You already saved the document before, but just made some changes to it.) Mention **two** ways.

(Pages: 369, 372 – 378) (7.14 points)

**Correct answer:** You could either (1) click on Quick Access Toolbar → ‘Save’ button, or (2) click Ctrl + S (Cmd + S on Mac), or (3) click File → ‘Save’ option (not ‘Save As’.) Either two of the options are good for the answer.

3. In Word, where should you click to change the Margin size of the document to 0.5 inches all across?

(Pages: 772 — 774) (7.14 points)

**Correct answer:** Layout Tab → Margins button → Click the “Narrow” option.

4. (a) Why does Word show a strange colorful underline in the phrase in Figure 2?

The girl eat this.

Figure 2: Phrase in Word

- (b) Mention **one** way to fix the issue and remove this underline with the help of Word (do NOT say “I can simply delete it and re-type it.”)

(Pages: 419 – 423) (7.14 points)

**Correct answer:**

- (a) The word “eat” should be corrected to “eats” because “girl” is singular, so Word warns you by drawing a blue double underline under that word.

- (b) You can right-click the word or phrase with that underline, and from the options shown, click on the right correction. The correction will replace the mistake, and the underline will disappear. [Alternatively: open the Review tab, and click the Editor (also called Spelling and Grammar) button to view the detected grammar and spelling errors and correct them.]
5. The following text appears in a Word document:  
Yesterday, the President delivered a speech at the [United Nations](#) general assembly. When clicking on Ctrl and the words “United Nations”, a web-page will open on the computer’s browser. However, you don’t want to keep this feature. How do you remove this clickability feature from the words “United Nations”? Mention **one** way. [Note: removing the underline and the blue color will NOT remove the feature!]  
(Pages: 530 – 531) (7.14 points)

**Correct answer:** The clickability feature about which the question talks is called a “hyperlink” (the question didn’t use the word hyperlink so that you won’t be easily able to find the answer online! :) ) To remove it, right-click over the text “United Nations” → click “Remove Hyperlink” to remove the hyperlink!

6. Explain **one** way to open the Word Application on a Windows 10 computer.  
(Pages: 365 – 366) (7.14 points)
- Correct answer:** Click the Start button → scroll through the list of apps until the Word app name appears → Click the Word app name to open the app.
7. If a paragraph has 16 points of space below it, and the paragraph underneath has additional 10 points of space above it, how much space is there between the two paragraphs?  
(Pages: 412 – 416) (7.14 points)

**Correct answer:** Since there are 16 points of space below the 1st paragraph and there are 10 points of space above the 2nd paragraph, there will be a total of 26 points of space between the two paragraphs.

## PowerPoint – Short Answer

8. Explain why the 1st slide in a PowerPoint presentation is called the “Title Slide,” according to our lectures.  
(Pages: 1155 – 1156) (7.14 points)
- Correct answer:** The Title Slide comes with placeholders for both the title and subtitle of the entire presentation, so it serves as the title of the presentation.
9. How can you insert a table with 3 rows and 2 columns inside the PowerPoint box shown in Figure 3? Your answer must use the box shown in that Figure.  
(Pages: 1055 – 1059) (7.14 points)

Figure 3: Insert Table Here

**Correct answer:** This object is a content placeholder. Click the “Insert Table” icon inside this content placeholder to open the Insert Table dialog box → Type 3 in the “Number of rows” box and 2 in the “Number of columns” box → Click OK for the table to be added.

10. If you click on any of the options shown in Figure 4, what object will change on the PowerPoint slide, and how?

(Pages: 1074 – 1078) (7.14 points)

**Correct answer:** The style of the table on the PowerPoint slide will change to the one that you click among the “Many options”.

11. How do you change the shapes on a PowerPoint slide shown in Figure 5, “Three Shapes” to the shape in Figure 6, “Three Shapes: Changed”?

(Pages: 945 – 949) (7.14 points)

**Correct answer:** The three shapes have been grouped into a single shape. To group 2 or more shapes, select them all by using the Ctrl or Command button. Then, click the Home tab → Arrange button → Group option to group the shapes.

12. How do you duplicate a slide? Mention **one** way.

(Pages: 63 – 64, 900 – 901) (7.14 points)

**Correct answer:** Select the slide you want to duplicate → Home tab → New Slide arrow → Click ‘Duplicate Selected Slides’.

13. What is the difference between this list:

- Apple

Figure 4: Many options

Figure 5: Three Shapes

Figure 6: Three Shapes: Changed

- Cherry
- Banana
- Strawberry

and this list:

- Fruit
  - Apple
  - Cherry
- Veggies
  - Banana
  - Strawberry

In your answer, speak about the hierarchy of the lists, not the content (the fruits and veggies) and not the way the bullet points look.

(Pages: 443 – 446) (7.14 points)

**Correct answer:** The first list is a regular first-level bulleted list, while the second list is a multi-level bulleted list with 1st-level and 2nd-level items.

14. The bulleted list in Figure 7, “My List” was converted into the object displayed in Figure 8, “My New List”. Where should you click for this object conversion to occur? (**Hint:** what kind of object is displayed in Figure 8, “My New List”?)

Figure 7: My List

Figure 8: My New List

(Pages: 930 – 937) (7.14 points)

**Correct answer:** Select all the bulleted list’s items → Click the Home Tab → Click the “Convert to SmartArt” button → Select the appropriate SmartArt graphic to which you want the list to be converted. The specific graphic in the “My New List” Figure is called “Targeted List,” but you did not have to mention that.

## Extra Credit

### Word

15. Here is a paragraph in a Word document:

I walked on the street When I entered the store.

Explain where a Word user should click to change the paragraph above into the paragraph:

When I entered the store I walked on the street.

Be specific. Your answer should NOT say: “I can simply delete the current paragraph and type the new paragraph from scratch.”

(Pages: 384 – 387) (2.5 points)

**Correct answer:** (An example of an answer:) Select the words “I walked on the street” and cut them (Ctrl + X on Windows or Cmnd+X on Mac.) Then, move the cursor to the place before the period (.) and paste (Ctrl + V on Windows or Cmnd+V on Mac) the words you cut at that place.

16. You changed the font of some text in a Word document by mistake. Describe **one** way of un-doing this change.

(Pages: 63 – 64) (2.5 points)

**Correct answer:** (easiest:) Click the Undo button in the Quick Access Toolbar at the top-left of the Word window OR use the Ctrl+Z / Cmnd+Z shortcuts.

### PowerPoint

17. (a) What is the name of the PowerPoint object appearing in the Figure 9?  
(b) Where do you need to click to delete/remove this object?

(Pages: 880 – 883) (2.5 points)

**Correct answer:**

- (a) This is the placeholder of the Title, or “Title placeholder” shortly.  
(b) You can either right-click it and choose “Cut” from the shortcut menu, or click its boundary and then click on the DELETE key.

18. You are editing a bulleted list. What happens when you click on the button in the image in Figure 10?

(Pages: 443 – 446) (2.5 points)

**Correct answer:** When you click on this Increase List Level button, the item in the list changes its importance to 2nd level point, 3rd level point, etc.
